

B-Rated Safes with Mail Box Drops

Versatile Cash Management and Control

- B-Rated construction
- Spring-loaded re-locker
- Time delay feature available as robbery and theft deterrent
- Lock options available on request
- 24/7/365 live technical support when needed

MB2014 Safes Provide Excellent Asset Protection

The B-Rated safe combined with this quick, mail box drop enables you to easily make bank bag type drops. The mail box is designed to accept bulky drops up to 2½" thick and deposit them into the safe. This allows you to make those type of drops without opening the main door to the safe. Limiting the safe's access is a sure deterrent to cash losses.
